

# CUBAN

A tile collection that is modernist essence, with plant and geometrical designs evocative of the early 20th century. CUBAN brings the beauty of cement tiles to 22.3x22.3 cm porcelain tiles. Its models, with their different patterns, come in a choice of two different colours: one in differing intensities of grey and the other with a stronger contrast between black and white.

Esencia modernista a través de gráficas geométricas y ornamentales que nos trasladan al principio del siglo XX. La colección CUBAN rescata la tendencia hidráulica para renovarla en material porcelánico de formato 22,3x22,3 cm. Las referencias, de diferentes motivos gráficos, se presentan en dos gamas cromáticas diferentes, una que combina diferentes intensidades de gris y otra con una mayor contraposición que combina el color blanco con el negro.
